

## From the Editorial Desk

Dear Readers,

September was a month of recognition, celebration and significant milestones for the MESCO family.

We are pleased to share that MESCO's Medical Department was honoured by Nair Hospital for its valuable support in assisting needy patients.

On 26<sup>th</sup> September 2026, MESCO and MESCO Education Society held their respective Annual General Meetings (AGMs), marking the completion of 58 years of MESCO and 49 years of MESCO Education Society, respectively.

Staff members with long-standing associations were felicitated for their dedicated service.

As part of Charity Fest 2026, MESCO is organising initiatives including Sewing Machine Distribution, Career EXPO, Scrap and Newspaper Collection drives, and Free Medical, Dental and Eye check-ups for students of adopted schools and other beneficiaries.

We are also delighted that Mr. Wasi Khan, Principal of MES Crescent English High School, received the Best Principal Award, along with Appreciation Awards and the AMP National Excellence Award, recognising his contribution to education.

As MESCO Education Society approaches its 50<sup>th</sup> anniversary, we look back with gratitude and pride. This journey has been strengthened by our donors, well-wishers, staff, volunteers and supporters.

We remain committed to education, empowerment and service to society.

Wishing you and your loved ones a joyful and festive season ahead.

2 SSC and HSC Students' Get-Together was held on 20<sup>th</sup> September 2026, focusing on Exam preparation, Entrance exams and Scholarships & documentation guidance.

3 College of Social Work Nirmala Niketan fieldwork students at MESCO conducted awareness sessions, field investigations, hospital & Nursery school visits, and case studies during Semester I.

4 The MESCO Study Centre in Mahim caters to around 50-60 students, providing a peaceful learning environment with free Wi-Fi access for educational purposes, all under our supervision and at affordable fees.

## ★ SUCCESS STORY

### Believing in Potential, Building Futures – The Faisal Khan Story

Faisal Tauhid Khan, the son of a taxi-driver, worked hard to overcome financial challenges with the support of MESCO. Through the Education Adoption Scheme (EAS) and later the High-Cost Education Scheme (HCES), he completed his BMS from K. J. Somaiya College and his MMS from the University of Mumbai in 2013. Today, Faisal is a Chief Manager at L&T Finance, and a living example of how education can transform lives and uplift entire families.

“MESCO removed the biggest burden from my family's shoulders and gave me the confidence to dream bigger.”  
– Faisal Tauhid Khan
