DEAR MEMBERS AND WELL-WISHERS

I am honored to present a comprehensive report on the activities and achievements of MESCO during the eventful year of 2025-26. This period has been marked by significant growth, with new initiatives, an increased number of beneficiaries, and a continued positive impact across our core programs. Our success is a testament to the unwavering support of our donors, volunteers, and well-wishers.

FINANCIALS

Our total income for the year was INR 22.21 Crores, with INR 42.25 lakhs contributed to the Corpus. Total expenditure was INR 18.47 Crores. We are incredibly grateful for the support of 14 corporate partners who provided INR 1.74 Crores in CSR funding. Additional support came through payroll giving, which contributed INR 8.67 lakhs, and proceeds from various items, including newspapers, clothes, and other scrap materials.

EDUCATIONAL SUPPORT PROGRAMMES

During 2025-26, MESCO's total expenditure on scholarships amounted to INR 11.01 crores, benefiting 7,442 students from Nursery to Professional courses.

MESCO's scholarship programme goes beyond financial assistance, focusing on the overall development and empowerment of students. Along with educational support, students participate in Career Guidance Sessions, Aptitude Tests, Personality Development Camps, Students' Get-togethers and other developmental activities. These initiatives help students build confidence, develop essential skills and make informed career choices.

MESCO has also established a Study Centre at Mahim for students who lack an adequate or conducive study environment at home.

The impact of MESCO's initiatives is reflected in beneficiaries who have completed their education and secured employment with reputed organisations such as Amazon, Cognizant, Deloitte, Capgemini, Accenture, JPMorgan Chase, Deutsche Bank and Emirates.

Through sustained financial support, guidance and encouragement, MESCO continues to empower students, promote self-reliance and create meaningful opportunities for a brighter future.

INSTITUTIONAL SUPPORT

MESCO adopted R.C. Mahim Mun. Urdu School, with 744 students, spending INR 23.12 lakhs in FY 2025-26. Due to extra classes, the SSC result was 95.74%.

Kurar Village Mun. Urdu School in Malad (E), with 935 students, was adopted in December 2023 in partnership with MCGM, and the SSC result was 100%.

MESCO also supported Bandra Petit Mun. Urdu Secondary School in Bandra (W) with 56 students in Standards IX and X; the SSC result was 90.47% in partnership with MCGM.

MEDICAL AID & CLINIC SERVICES

We supported 1162 patients with medical interventions, spending INR 4.17 Crores on MESCO schemes and Life-Saving Medical Aid, Dialysis Support, and Injection Support. Our clinics provided essential primary care, with the Medical Aid Dispensary in Mumbra serving 15,882 patients during the year.

The Umair Khopekhar Memorial Physiotherapy Centre also served 2,223 patients and extended its operating hours to 8 p.m. to better serve the community. The Medical Department was honored by LTMG Hospital, Sion, Mumbai, and by Wockhardt Hospital for MESCO's dedicated support to needy and deserving patients.

RELIEF OF POVERTY PROGRAMME

During 2025-2026, MESCO continued its efforts to support vulnerable families and empower women through meaningful assistance.

MESCO empowered 207 women with sewing machines, helping them create opportunities for income and become more self dependent. Under the Ration Support Programme, 466 families (2,261 individuals), each family consists 2-8 members, and 34 senior citizens received essential food support. During the blessed month of Ramzan, 1,635 ration kits were distributed to deserving families, helping them observe the holy month with greater dignity and peace.

MESCO spent INR 1.80 Crores on Ration Support and Sewing Machine initiatives during the year.

MESCO HOUSE

Renovation at MESCO House is in full swing! We're creating a modern, safe and functional new home for MESCO and hope to move in within 2-3 months. Your generous support will help us complete the work and make MESCO House fully equipped and welcoming.

"I am pleased to inform the General Body that the society/trust has successfully complied with all statutory requirements, resulting in the successful renewal of our 12A and 80G registrations by the Income Tax Department for a further period of five years. This milestone confirms our commitment to absolute financial transparency and institutional governance."

“As I conclude, I pray to the Almighty for blessings on our collective efforts and also on our donors, supporters, volunteers, ex-students, committee, and staff. Together we achieved much, yet more remains to be done. We seek continued support to touch more lives in future.

Thank you for your constant commitment and generosity.

Dr. Aarif Ansari's journey reflects how determination and timely support can transform challenges into success. Coming from a modest family, he faced financial difficulties throughout his education. In Class IX, he received support through MESCO's Education Adoption Scheme (EAS), followed by the High-Cost Education Scholarship (HCES) during his medical studies.

With dedication, Aarif completed his BAMS and PGDEMS, gained experience in several hospitals, and eventually established Saiban Advance Care Clinic in Vikhroli.

His story is an inspiring example of how education, perseverance, and the right support can change lives.

MESCO Trust supported me at a crucial stage of my education, easing financial worries and giving me confidence, motivation, and hope. I am deeply grateful for their support and remain committed to serving society through compassionate healthcare and meaningful community service.

» Transformational Journey

Losing my father in Class 10 left my future uncertain. During this difficult time, MESCO became a turning point in my life through its Education Adoption Scheme (EAS).

From Class 10 through my engineering studies, MESCO supported me with books, educational resources, and financial assistance. Their encouragement gave me the confidence to pursue my dreams.

With MESCO's support, I completed my Electrical Engineering degree under the EWS category. Their timely assistance helped me overcome challenges, stay focused, and turn uncertainty into opportunity.

Today, I work at ANJ Turnkey Projects Pvt. Ltd., progressing from Contracts Executive to Contracts Manager. I am deeply grateful to MESCO Trust for their support and encouragement, which strengthened my confidence and transformed a difficult phase into a foundation for success.

AMRIN SHAHNAWAZ

Amrin's family survives on her husband's ₹15,000 monthly income, struggling with medical costs, school fees, and basic expenses, forcing their daughters to stop tuition.

Amrin wanted to support her family through tailoring but lacked a sewing machine. Through MESCO's Women Empowerment Programme, she received one and began taking stitching work from her community. She now earns approximately ₹3,000-₹4,000 per month, helping contribute towards her daughters' education, medicines and household expenses. More importantly, the opportunity has given her confidence and greater financial independence. Her journey demonstrates how a simple opportunity can help transform skills into sustainable income. Amrin and her family express their heartfelt gratitude to MESCO for providing the support that has enabled her to contribute towards her family's needs and move towards a more secure and self-reliant future.

SHAKIRA KHAN

Mrs. Shakira Khan, 56, and her retired husband have endured years of hardship, including the heartbreaking loss of their 24-year-old daughter to kidney complications.

Shakira's family faces severe financial hardship as two of her sons require regular dialysis. With limited and irregular income, much of the family's earnings goes towards medical treatment, rent and essential household expenses, leaving little for their daily food needs.

For several years, MESCO's Monthly Ration Support has helped the family meet their basic food requirements, allowing them to use their limited resources for medical care and other necessities.

For Shakira, this support provides much-needed relief and stability, helping her family maintain dignity and hope during difficult times.

We are deeply grateful to MESCO for standing by our family during these challenging times. The monthly ration support has brought us immense relief and helped us focus our limited resources on the treatment and well-being of our children," says Shakira.
